

Role: Funding Manager (paid)

Start date: ASAP

Pay – hourly rate to be agreed based on experience (minimum £10 p hr)

We are seeking an experienced individual to join the growing Chatsworth Road market team in a paid role.

The role is to research, submit and secure social/community funding opportunities for initiatives that will develop the market and improve the street and area as a whole.

We are seeking to achieve a number of important goals this year, some of which will require external funding, such as:

- funding the Chatsworth Road Festival held each September to ensure it remains diverse and free
- infrastructure improvements on the street for pedestrians and cyclists
- research into ways to protect local businesses being forced out due to increasing rents
- conducting research into road safety improvements/road closure and the delivery of the results of that research, whether it be improvements or road closure during the Sunday market operation
- ensuring the market is a safer, more enjoyable and social experience for visitors and traders alike

Over time we expect the role to also encompass entering the street, market and festival into awards to help secure additional funding as well as raise awareness across London.

This is a key role to help the volunteer-led organisation improve the area for all users and secure funds to deliver projects over the long-term.

We envisage the role to require approx. two hours per week, possibly slightly more in the initial research phase and are open to discussion around how the role will be paid.

The role requires:

- excellent written and verbal communication skills
- the ability to create and articulate well-reasoned arguments around why our applications should be successful
- experience of constructing pitches for social / community grants and funding
- strong MSOffice skills
- Strong interpersonal and networking skills for researching and utilising existing networks of funding groups

For more info or for an informal chat drop us a mail at info@chatsworthroade5.co.uk or if you're ready to apply send your CV to the same address along with a short paragraph as to why you want to join us.
